

# National Framework Agreements for Mobile Learning Devices

OJEU Reference: 2015/S 022-035705

## Investing in the latest teaching technology

Procure the right teaching technology at the right price, through our National Framework for Mobile Learning Devices & Solutions.

Originally developed for schools, but suitable for all public sector bodies nationwide, this multi-vendor framework offers an efficient, fully compliant procurement solution for a wide range of mobile devices, charging units, parental software and cases.
